CONDITIONS OF SALE

Bidding

1. The placing of a bid will constitute acceptance of the conditions of sale.
2. All bids are per lot as numbered in the catalog. The right is reserved to withdraw any lot or lots and to group two or more lots.
3. Lots are sold to the highest bidder at one advance over the second highest bid. The auctioneer shall regulate the bidding and in the event of any dispute the auctioneer's decision shall be final.
4. The auctioneer shall not be liable for errors and omissions in executing instructions to bid.
5. Unlimited bids and bids believed not to be made in good faith will be respectfully declined.
6. Minimum bid on any lot is \$50.00.
7. All lots will be sold at the price for which they are knocked down by the auctioneer, plus a commission of 15%.

Payment of Purchases

8. Successful bidders will be notified of lots purchased and must remit before lots are delivered. Persons who are known to us may, at our option, have purchases forwarded for immediate payment.
9. Terms are immediate payment in U.S. funds on receipt of the invoice. Payment by credit card will be subject to a 2% service charge.
10. The mode of shipment shall be at our option unless we are given specific instructions. A minimum charge of \$1.50 will be made in addition to postage, insurance, and handling.
11. Successful bidders agree to pay for lots as specified above and no credit is extended. For overdue accounts a late charge of 5% per month (minimum \$30.00) will be charged. Accounts are considered overdue after (30) days.

Quality

12. Any lot, the description of which is incorrect, is returnable within ten (10) days of receipt and must be received within four weeks from the date of the auction. All disputed lots must be returned intact in the condition received. The following lots may not be returned without prior approval: lots from buyers who have had the opportunity to examine them before the sale; lots described as having defects or faults may not be returned because of faults; and, lots in which the buyer has bid more than double our estimate. No illustrated lot may be returned because of centering, margins, or other factors shown in the illustrations.

Authenticity

13. All lots are sold as genuine, but should any lot be proved otherwise by written opinion of any responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided we are notified in writing within 14 days from date of sale that an opinion is being sought. If claim is not made within this period, no lots are returnable for any reason at any time. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$100.00. In the event an item is proved "not as described" it is returnable for a full refund. Any lot which has a certificate dated within the last five years is sold in accordance with the certificate and is not returnable for any reason including an opinion obtained in a new certificate after the sale. While we occasionally suggest what grade a coin may receive if certified, we do guarantee that grade (or any other grade) if a coin is submitted for certification.

| LOT | U.S. COINS | VALUE |
|--------------------------|--|----------------------|
| Half Cents | | |
| 1 | 1835 AU or better. Faint obv hairlines are evident if the coin is viewed from a certain angle. Still very attractive. | EST P 110-135 SE |
| 2 | 1850 MS60 Brown. Lovely even brown color and fully struck. The only issue with this coin is a small (.15mm) rev corrosion spot by the second A in AMERICA o/w a beautiful example of by far the scarcest date of the 1850s and finally being recognized as such. | EST P 450-650 SE |
| 3 | 1853 XF or nearly so. Nice eye-appealing color contrast. | EST 70-90 SE |
| 4 | 1853 VF+ even brown | EST P 60-80 SE |
| 5 | 1855 XF or nearly so. Perfectly original w/ great color and eye-appeal. | EST P 70-90 SE |
| 6 | 1857 XF detail and original. A scarcer date but a few minor rim disturbances might affect the value somewhat. | EST 76-100 SE |
| 7 | (3) incl 1851, 1854, & 1856 all F+ to VF and original. | EST 135-160 SE |
| Large Cents | | |
| 8 | 1798 over 7 (1st Hair Style) S-152 (R2) PCGS VF Details Corrosion. Undoubtedly excavated still adequate detail especially on the rev. (Greysheet bid for VF = \$1,600.) | EST P 750-950 HWC-SE |
| 9 | 1803 Sm Date Sm Fraction S-259 (R4) PCGS XF Details - Environmental Damage. Some texturing of the surfaces but evenly colored, and overall, a lovely example of this scarce variety. (Greysheet bid for XF40 = \$2,000.) Inspect! | EST P 700-900 HWC-SE |
| 10 | 1803 S-260 near VF overall detail but expect to find the typical impairments characteristic to draped bust large cents s/a minor planchet roughness and light strike weakness in some areas. Still an attractive coin. | EST P 220-270 SE |
| 11 | 1807 Lg Fraction S-276 VG orig. Expect to find the typical large cent "look". Obv struck slightly off-center. | EST 85-110 SE |
| 12 | 1807 Comet variety S-271 Good. | EST 115-140 SE |
| 13 | 1814 S-294 near XF detail on beautiful chocolate brown surfaces. The issue with this coin is that there are a few fine obv scratches running lengthwise behind Liberty's head and on the rev running through the right side of ONE CENT. These blend in perfectly with the coin's overall color, and as scratches go, they are not particularly disturbing. Overall, a very nice high-grade example of the Classic Head design which rarely comes this attractive. | EST P 550-800 SE |
| 14 | 1855 Upright 5's MS60+ (or very nearly so) detail, but lightly whizzed. The coin has regained some natural color back around its periphery. Still attractive. | EST P 100-125 SE |
| Indian Cents | | |
| 15 | 1861 XF perhaps better nice original. | EST P 70-90 SE |
| 16 | 1863 AU+ a few marks, great color. | EST 64-80 SE |
| 17 | 1872 NGC AU Details Cleaned. Still very attractive orange color and would fit nicely in a lower-grade Unc set. Inspect! | EST P 300-400 SE |
| 18 | (28) Diff 1864 Br // 1909 in (2) Whit 9111 album pages. A couple better incl 1868 & 1875 (both abt VG), but many nicer coins as well such as 91, 92, 96, 99, & 07 all XF or better. Needs inspection! | EST 160-220 LE |
| Lincoln Cents | | |
| 19 | 1914-D Good. No issues other than wear. Perfect even brown. | EST 100-125 SE |
| 20 | 1931-S AU Nice eye-appeal. | EST P 72-90 SE |
| 21 | (137) Diff in a virtually complete set 1909 // 1958-D in Littleton folders LCF18 & LCF19 missing only 09-S VDB, 14-D, 15 (oddly), & 31-S. Some worn but overall a very nice set w/ sev earlies F+ or better and many red unc starting 1941. Inspect! | EST 210-270 B |
| Three Cent Pieces | | |
| 22 | (4) Silver issues from a recent estate liquidation incl 1853 (2), 1858, & 1859. Low grades but original and discernable. | EST 100-125 SE |
| Shield Nickels | | |

| 26 | 1869 PCGS AU55 | EST P 70-85 SE |

| 28 | (3) Diff incl 1870 ANACS EF45 Details Cleaned, 1873 Open 3 ANACS AU55 Details "Scratched" (the grade is a bit questionable but this cataloger cannot find a significant scratch on this coin), & an 1883 (raw) AU50. | EST 175-210 SE |

| LOT | U.S. COINS | | VALUE |
|----------------------|--|-------|--------------------|
| 85 | 1887 NGC MS64 white. | EST P | 64-80 |
| 86 | 1891-CC Unc detail w/ a few marks and several regions of heavy toning on the obverse. | EST P | 400-500 |
| 87 | 1897-O AU+ detail (perhaps better) but brightened. | EST P | 200-250 |
| 88 | 1898-O BU Roll (20 coins) all beautiful white MS60 to 63 w/ a bit of toning on the two end coins. This lot is from the same group that yielded the 1898-O roll in auction 19. The cataloger judges this roll to perhaps be slightly higher in overall quality. | EST | 825-1,000 HWC-ROLL |
| 89 | 1899 VF+ lovely original grey. The 1899 mintage of 330,000 is an anomaly in that the number of surviving specimens suggests a higher mintage. Some experts have concluded that some of the 1899-P mintage was included in the mintage of 1900-P but no solid evidence supports this. In any event, the 1899-P is a scarce date, and when we deal with partial Morgan Dollar sets for consignment, the 1899-P is almost always missing. | EST P | 110-135 |
